BEAUTIFUL EMBROIDERY MADE SIMPLE.

All three BERNINA 7 Series models use intelligent design and unique innovations to make embroidering easier than ever. Simply switch to embroidery mode directly via the touch screen to easily position, mirror, rotate, combine and resize motifs. Place your design on the fabric exactly where you want it with Pinpoint Placement. Design editing offers a wealth of additional options, allowing you to create curved lettering effects, alter stitch density, and combine decorative stitches with embroidery designs or create beautiful, endless embroidery designs (B 790 PLUS only). With all models, complex combinations can even be resequenced according to colour, and alternative colour options can be reviewed before stitching out. The finished design can be saved directly on the machine or on a USB stick. What's more, additional designs can be imported to the machine via the USB port. The Check Function lets you see the design position before embroidering. The new embroidery module with BERNINA Smart Drive Technology (SDT) comes standard with the B 790 PLUS, and is available as an optional accessory for the B 770 QE PLUS and the B 735.
Slide speed control
Sewing and embroidery speeds up to 1,000 stitches per minute

The B 790 PLUS includes an advanced embroidery module with extra-large embroidery area (400 mm × 210 mm, 15.7" × 8.3") and new Smart Drive Technology (SDT)

TIPS AND TRICKS

The Sewing and Embroidery Consultants and built-in tutorials offer direct on-screen support and answers to your questions whenever you need them.

CREATE YOUR OWN STITCHES (B 790 PLUS ONLY)

The B 790 PLUS features a unique and innovative function: the Stitch Designer. Create your own stitches by drawing your ideas right on the touch screen. With a click, the B 790 PLUS transforms your design into a stitch pattern or alters existing stitches as you wish. Save your very own stitch creations to expand your stitch library.

COLOUR WHEEL (B 790 PLUS ONLY)

Change designs easily and coordinate to your favorite colour scheme before you start embroidering. This makes it easy to choose the most beautiful colours for your embroidery project.

BERNINA HOOK

The heart of the BERNINA 7 Series features a novel, centrally placed driver, which allows the BERNINA Hook to run fast yet quietly. The BERNINA Hook sews high-precision stitches up to 9 mm in width (up to 5.5 mm on the B 735) with speeds up to 1,000 stitches per minute. The front-loading bobbin holds up to 70% more thread than standard bobbins, allowing you to sew longer without interruption.

Finally, the BERNINA Hook is made of high-quality materials that allow the thread to run smoothly at consistent tension.

BERNINA QUALITY

For over 125 years, BERNINA has been passionately committed to the development of premium sewing, quilting and embroidery machines. With Swiss precision at the heart of everything we do, we insist on building our products with high-quality materials to guarantee high performance that lasts and lasts.

The BERNINA 7 Series models offer a wealth of features that make sewing easier. Unique functions such as the semi-automatic threading system, the BERNINA Stitch Regulator (BSR) and the remarkable, easy-to-use embroidery system with an especially large embroidery area and Smart Drive Technology (SDT) are a testament to our unwavering spirit of innovation. The BERNINA 7 Series is visually stunning with its sleek, superior design – because we concentrate on sophisticated technologies as well as setting new standards in product design.

Speed control
Sewing and embroidery speeds up to 1,000 stitches per minute

Direct-selection buttons:
– Start/stop button
– Raise and lower presser foot
– Automatic thread cutter
– Reverse sewing

BERNINA Dual Feed
(Not available on the B 735)

Semi-automatic threading

Practical **extension table** included

Integrated embroidery function
Simply add the optional embroidery module with Smart Drive Technology (SDT) to the B 770 QE PLUS and B 735 to activate easy embroidery
BERNINA Hook with 9 mm stitch width (5.5 mm on the B 735) sews precise stitches at faster speeds while quieter than ever. The extra-large bobbin holds up to 70 % more thread than standard bobbins.

Easy navigation on a centrally located
7-inch colour touch screen

B 735

"I can count on BERNINA for
all my precise stitching."

VALENTINA BUKEEVA, DESIGNER

Valentina Bukeeva, a native of Russia and resident of
Finland, is the founder of an online school of modern
sewing and quilting. When she made her first quilt 10
years ago, she never dreamt it would grow into a
successful school for sewing enthusiasts from around
the world. Today, her specialty is fashion accessories
such as intricately quilted and embroidered bags
sophisticated enough to be featured in fashion shows.

GREAT NEW SEWING AND
# EMBROIDERY FEATURES

ENHANCED EDITING

Pinpoint Placement
Place your design on the fabric exactly where you want it. No need to use the template anymore. Use the new lock function (B 770 QE PLUS/ B 735 only) to maintain the embroidery design size during the positioning.

Undo & Redo
Simply undo or redo steps while editing or combining designs to return to your initial position (B 790 PLUS only).

Group & Ungroup
Combine designs into a Group to edit all at one time. Ungroup easily to edit designs individually.

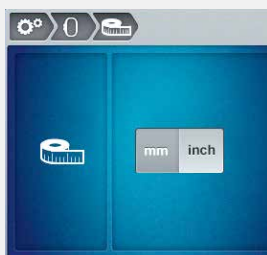

Rearrange
Change the stitch out sequence of design layers. Use Rearrange in combination with Group and Ungroup for further editing possibilities.
EASY TO USE

Embroidery Consultant
The consultant helps you to choose the correct foot, needle, thread and stabilizer according to your fabric to achieve the best results.*

Toggle between mm & Inches
The embroidery design size and the hoop dimensions can be shown in mm or inches.

Read Multiple Formats
Read most popular file formats: EXP, DST, PES, PEC, JEF, SEW, PCS, XXX.

TOTAL STITCH CONTROL

Thread Away Mode
Pulls the threads to the underside for clean embroidery results on the top. Program jump stitch length to manage thread cuts. Subject to design properties.

DESIGNS & ALPHABETS

Designs
A wide variety of embroidery designs including in-the-hoop projects and special technique designs.

Alphabets
Use the included embroidery alphabets to personalise your projects.

Quilting in the Hoop
Unique, built-in design collection, complete with beautifully patterned quilt blocks and continuous line quilting designs all done in embroidery (B 770 QE PLUS only).

Invisible & Smart Secure
Securing stitches become invisible as the tie-on/off stitches are sewn in stitch direction. Smart secure adds tie-on/off stitches to a design, if none are preset.

*B 790 PLUS and B 735 only

7 THINGS YOU'LL LOVE ABOUT
THE BERNINA 7 SERIES

THE BERNINA STITCH REGULATOR (BSR)

The 7 Series models are equipped with the BSR function. The BSR foot assists you with free-motion sewing and quilting with a straight or zigzag stitch, ensuring stitches of the exact same length even at variable sewing speeds. Beginners quickly gain confidence with the BSR, while experienced quilters acquire additional self-assurance. The BSR foot comes in the standard accessories package of both the B 790 PLUS and B 770 QE PLUS, and is optional with the B 735. The B 770 QE PLUS even offers three modes just for quilters. The BSR 3 mode allows you to set your stitch length to 2 or 4 stitches per inch for easy quilt basting.

EXTENDED FREEARM

The BERNINA 7 Series includes a meticulously engineered extended freearm with 10 inches (254 mm) of space to the right of the needle, providing you with ample space for big, beautiful sewing and embroidery projects. With their 9 mm stitch width, the B 790 PLUS and B 770 QE PLUS are ideally suited for decorative stitching, while the B 735 with its 5.5 mm stitch width is perfect for precise sewing projects and fine materials.

ENHANCED EMBROIDERY WITH SMART DRIVE TECHNOLOGY (SDT)

The extra-large embroidery module (optional with the B 770 QE PLUS and B 735) lets you stitch out larger motifs and includes the latest Smart Drive Technology (SDT). It elevates your embroidery experience with enhanced stitch quality, smoother and quieter movement and up to 55% higher embroidery speed.

BERNINA DUAL FEED

The innovative BERNINA Dual Feed tames hard-to-manage fabrics providing superb fabric feed and optimum visibility while sewing and quilting. Easy to engage when needed, the BERNINA Dual Feed tucks completely out of the way when it's not required. Not available on the B 735.

TOTAL STITCH CONTROL

All BERNINA 7 Series models provide an exclusive level of stitch control. Whether you are altering stitch length, stitch width or needle position, the machine will remember the details for you. Your personal settings can be saved and retrieved and the USB interface allows you to import and export stitches and stitch patterns or combinations.

BERNINA ADAPTIVE THREAD TENSION

The BERNINA Adaptive Thread Tension, a BERNINA innovation, provides ideal thread tension while sewing to achieve perfect stitch quality on both sides of the fabric. Once the tension is set according to the thread and fabric used, BERNINA Adaptive Thread Tension will constantly check the thread tension, adjusting it automatically when needed. The result is the finest stitching without pressing a button.

SEW WITH EVEN GREATER EASE

The B 790 PLUS, B 770 QE PLUS and B 735 accomplish many tasks all by themselves. The presser foot lowers automatically at the beginning of a seam. Threading is semi-automatic, and the thread is cut automatically when you reach the end of a seam, or when you wish to change colours while embroidering. Moreover, a practical extension table, which significantly increases your work area, is included in the standard package.
