Get ready to enjoy what the PFAFF® brand stands for

Multi-functional

Light or heavy, stretch or woven – a PFAFF® overlock machine offers the right stitch for every fabric. Durable seams, perfectly finished edges, professional hems, and decorative effects – everything is possible.

Quick

In one single step, a PFAFF® overlock machine stitches two fabric pieces together, trims the fabric edge, and finishes it – so quickly that it is a joy to watch. Electronic speed control guarantees full piercing power at all speeds.

Precise

Each fiber of fabric is caught thoroughly to prevent fraying. Perfectly even seams on every fabric, thanks to differential feed. No stretching or puckering. Adjustable settings for all types of fabrics and techniques.

hobbylock™ 2.0

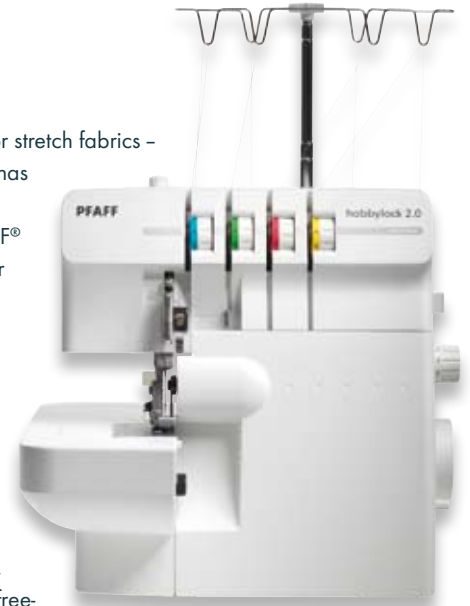

Sew, trim, and finish edges in one step!

Fast and perfect!

Velvet, wool, terry cloth, silk, denim, cotton or stretch fabrics – the PFAFF® hobbylock™2.0 overlock machine has the right stitch. Perfectly finished edges with seams that stretch when you move. The PFAFF® hobbylock™2.0 overlock machine is perfect for creating custom active-wear fashion.

Fantastic features and a wide range of stitches!

The new PFAFF® hobbylock™2.0 overlock machine is modern and easy to use. It has many practical features including 15 stitches, adjustable stitch length, built-in rolled edge, free-arm for sewing sleeves and pant legs, electronic speed control, and much more.

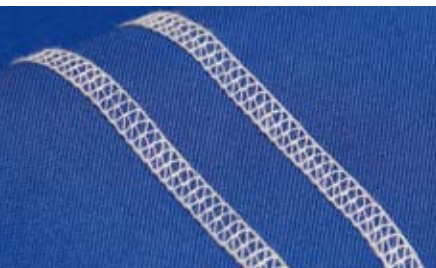

Threading, quick & easy!

Colored threading paths are marked on the machine to make threading easy. Included with your purchase is an interactive DVD that clearly shows threading, step-by-step. This information is also available on www.pfaff.com!

Add attractive accents

Discover the decorative side! Add attractive accents with the three-dimensional flatlock stitch – eye-catching. Or give it even more appeal with decorative threads. Let yourself be inspired.

Use the back side of the triple coverstitch* as a beautiful decorative seam. Using rayon thread increases the effect. Try it for yourself!

* available on coverlock™3.0 and coverlock™4.0.

Stitch over silk ribbon with the flatlock stitch to create a delightful, raised seam. Different weights of thread result in different looks.

Perfectly even seams ... thanks to Differential Feed! Two rows of feed dogs eliminate the stretching or puckering of seams.

coverlock™ 3.0

5 threads, unbelievable sewing space,
the professional coverstitch and a lot more!

Coverstitch – sew, finish and hem in one step!

The hem is the true test of perfection! Set the PFAFF® coverlock™3.0 overlock machine for coverstitch – and the rest seems to happen by itself. In a single step, the fabric edge is finished on the bottom and a hem is created with a double-needle effect on the top. Use coverstitch to finish neck and armhole edges perfectly.

So much space!

The sophisticated design of the PFAFF® coverlock™3.0 overlock machine offers an extra-large sewing space – a real advantage when sewing with large amounts of fabric. An extension table is included. Just slide it in place to double the sewing area. When sewing projects or when adding decorative seams or sewing coverstitch, you will enjoy the wide opening to the right of the needle that helps you maneuver your fabric easily.

Large sewing area to the right of the needle, perfect for coverstitch projects.

23 stitches are waiting for you and your ideas!

These include the popular safety stitch – an industrial stitch which won't tear, even under the greatest strain. Try it for yourself! Use chainstitch to do your basting as it is easy to unravel and you will never run out of bobbin thread.

The 5-thread safety stitch!
Unbeatable as a durable seam!

Highest perfection with a wide range of features

Each stitch has been automatically set at the optimal thread tension and can also be adjusted to fit your every need. Sew with up to 5 threads. The differential feed guarantees absolutely even stitching on every fabric.

The extension table!
Slide it in place and
double your sewing area.

Have you ever tried quilting with an overlock machine?

Perfect quilting!

Assemble the blocks, then stitch quilt top, batting, and quilt back together in one step – while giving the edges a perfect finish. Even very large pieces of fabric are stitched quickly.

Wonderful embellishments!

Your overlock machine can also be used for decorating quilts. Take, for example, the chainstitch – a durable utility stitch, which also creates lovely three-dimensional decorative seams. Or use the triple coverstitch – the classic decorative overlock stitch.

Let yourself be inspired.

Designed exclusively!
An enchanting quilt – sewn with the overlock machine. You'll find sewing instructions at www.pfaff.com

Decorative highlights – the double chainstitch – as a three-dimensional decorative seam – and the enchanting triple coverstitch. Sophisticated details that make your quilt truly special. Heavy threads? No problem for the PFAFF® COVERLOCK™ machines.

coverlock™ 4.0

5 threads, LCD Graphic Touch Screen and a large variety of stitches

Are you looking for the overlock machine that has everything? The PFAFF® coverlock™4.0 overlock machine is for you! Its ultra-modern design fulfills all promises. The most modern convenience and a huge repertoire of stitches mean even more perfection and creativity. The PFAFF® coverlock™4.0 overlock machine offers all the features of the preceding models plus even more sophisticated extras.

Everything at a glance – LCD Graphic Touch Screen

The LCD Graphic Touch Screen offers the highest level of sewing convenience. The selected stitch and all important information can be seen at a glance.

The optimal thread tension, stitch length, and the differential feed are set automatically. You can start sewing immediately.

The extended Info System gives more information on the use of each stitch, right at your fingertips.

LCD Graphic Touch Screen – it doesn't get any easier! Select one of the 25 stitches with the stylus and all information appears in the display. Choose and set your preferred language.

Spacious! A large sewing space ensures easy maneuvering of fabric.

The extension table creates an extra-large sewing area.

Save individual settings with unique names!

All stitch settings can be individually changed. Give them unique names and save them – to be called up and used, as needed. An advantage: The Last Stitch function remembers the last stitch sewn when powering back on to instantly continue your project.

Optimal view and plenty of space!

Thanks to the Dual LED light sources, the complete sewing area of the PFAFF® coverlock™4.0 overlock machine is always perfectly illuminated. The design of the machine offers an extra-large sewing space – perfect when sewing with large amounts of fabric or when hemming. Adjust the speed to meet your sewing needs – choose from 5 different speeds.

Terry cloth or velvet?

Will not fray.

Up to 5 threads encase the fabric edge, to create the perfect finish.

Knit?

Each stitch is caught securely.

Knits from fine to heavy - only an overlock machine can deal with them all. Each stitch is caught securely, the seams remain elastic, and the differential feed eliminates wavy edges.

Denim or corduroy?

Each seam is secure.

Heavy fabrics require seams which won't tear, even under the greatest strain.

Jersey or sweatshirt fabric?

Extremely stretchy seams.

Seams that follow your every move - guaranteed by the elasticity of an overlock seam. Unbeatable and tear-proof.

Chiffon and silk?

Fine seams for fine fabrics.

Fine fabric edges which have been finished using an overlock machine do not pucker. The rolled hem is a decorative edge finish for fine fabrics. Create beautiful waves or gathers by adjusting the Differential Feed settings!
