\* Top five features are repeated in bold under respective categories

### SEWING FEATURES

**The Original IDT™ System** – Integrated Dual Feed only from PFAFF® for over 45 years! Absolutely even fabric feed from both the top and the bottom.

**PFAFF® Original Presser Foot System** – Many optional accessories available to expand the sewing experience.

**70 Stitches** – A wide variety of beautiful 7mm stitches, including utility stitches, buttonholes, decorative stitches, quilt stitches, needle art stitches and satin stitches.

**Beautiful Appliqué Pin Stitch** – Adjustable; easy to achieve your desired result.

**Start/Stop Button** – Press the Start/Stop button to sew without the foot control. Makes sewing long seams, free-motion and buttonholes easy.

**Speed Slider** – Adjust the speed with the speed slider for full control.

**One-step Buttonhole** – Snap on the buttonhole foot and sew repeatable buttonholes smoothly.

**Free-motion Sewing** – Simply attach the optional free-motion presser foot and lower the feed dogs for easy quilting.

## SEWING FEATURES

**External Feed Dog Drop** – Convenient location; lower the feed dogs from the back of the free arm. Ideal for stippling, free-motion embroidery or darning.

**Extra-high Presser Foot Lift** – Raises the presser foot to its highest position so that thick fabrics can be placed easily under the presser foot.

**Presser Foot Pressure** – Can be adjusted for specialty techniques or when sewing on light or heavy fabric.

**Adjustable Thread Tension** – Depending on the fabric, batting, thread, etc., the thread tension dial can be set to make the threads meet evenly between the two layers of fabric.

**Needle Up/Down** – Touch a button to set your needle to automatically stop up or down in the fabric for pivoting, appliqué and more. Tap the foot control to shift between needle up/down position.

**Immediate Tie-off** – When the button is pushed, the machine will tie-off automatically for a quick and easy finish.

**29 Needle Positions** – Perfect for topstitching, quilting, inserting zippers and more.

**Integrated Needle Threader** – Makes threading the needle fast and easy.

**Stitch Plate** – Markings to the left and right of needle help you guide your fabric.

**Snap-on/Snap-off Presser Feet** – Changing is easy, no screwdriver or other tools are needed.

**Top Loaded Bobbin** – Easy to access.

**Electronic Needle Piercing Power** – Full piercing power at any speed with total control.

**Two Spool Pins** – For twin needle sewing or specialty sewing.

**Accessory Feet Included** – 6 different presser feet for all your basic needs.

## MACHINE FEATURES

**Compact/Portable Sewing Machine** – Perfect for taking to classes and for travel (lightweight: 13.9lbs/6.3kg).

**PFAFF® Design** – Built for precision, helping you achieve professional results with comfort and ease.

**Info button** – Simply touch to see the recommended presser foot for the selected stitch.

**Two LED Light Sources** – Optimized bright lights illuminate your sewing area without shadows.

**Stitch Menu Tab** – Convenient location on the right side of the machine. Pull out to view the complete collection of stitches.

**Hard Cover** – Protect your sewing machine when transporting it; keep it dust free, plus smart storage for your foot control and power cord.

**Accessory Tray** – Keep all your sewing needs at your fingertips.

**Extension/Quilt Table** – Optional extension table provides support for your projects.
