Everything is made *easy* with the **DKS30** and **DKS100** Special Edition

Everything is made easy with these sleek studio styled machines.

Each stitch key has an LED light activated when you choose one of the direct select keys. These machines have an easy set bobbin so no need to pull up your bobbin thread, a Superior Plus Feed System and a unique bobbin winding system. Wide angle white LED lighting offers greater illumination for all your sewing projects and there are many more user friendly features including auto one step buttonholes, an auto needle threader, an auto under bed cutter and even a knee lifter on the DKS100, which is a firm favourite with quilters.

The world's leading sewing machine manufacturer since 1921

Product Information

	DKS30 SE	DKS100 SE	
Fully computerised	✓	✓	Stitches and settings at the touch of a button.
Convertible free arm for circular sewing	✓	✓	The accessory box section of the machine will pull away to reveal a narrow cylinder shaped arm. Perfect for stitching around trouser legs and sleeves.
Total stitch options	30 Stitches 30 Direct	100 Stitches 14 Direct	All the essential stitches for dressmaking, quilting, crafting and home furnishings, plus more. Each stitch has a LED activated when you select one of the direct select keys.
Auto 1 step buttonholes	3 Styles	6 Styles	It's so easy, just pop in the button and the buttonhole is created to the correct size! A stabilizer plate is included which holds and supports fabric to help when sewing buttonholes over the hem of thick fabrics
Pattern elongation – up to 5 times	✓	✓	Select one of the satin stitches and elongate it by up to five times. Perfect for creating decorative patterns.
Information screen	✓	✓	Clear user friendly LCD screen for easy stitch selection and adjustments.
Jam proof drop in bobbin	✓	✓	The clear bobbin cover makes it easy to see when the bobbin thread is running low. Often known as 'tangle free', the full rotary hook, top loading bobbin mechanism continues to form the stitch, even when you run stitching off the edge of the fabric, causing less jams!
Easy set bobbin	✓	✓	Simply drop your bobbin into the bobbin area, guide the thread through the channel and you're ready to sew without the need to pull up your bobbin thread.
Variable stitch length & width	✓	✓	Perfect for fine tuning stitches to suit the type and weight of fabric you are stitching.
Superior Plus Feed System (SFS+)	SFS+	SFS+	The Janome Superior Plus Feeding System features not only seven piece feeding but also a flat feed mechanism that moves the feed dogs parallel to the needle plate in both forward and backward directions to hold fabric firmly and prevent fabric puckering.
Drop feed for freehand work	✓	✓	The feed dogs can be dropped for free motion stitching. These are saw-shaped teeth that move the fabric through the machine as the needle stitches.
Auto needle threader	✓	✓	Simple and easy, no fuss threading.
Auto thread cutter (Scissors button)	✓	✓	When you finish sewing, simply press the auto thread cutter button. Your threads will be trimmed underneath your stitching. After trimming the threads you can continue sewing without pulling the bobbin thread up. This saves time and thread, leaving you to simply remove your completed work.
Maximum speed controller	✓	✓	Helps maintain an even speed and helps to build the users confidence.
Programmable needle up/down	✓	✓	This allows you to programme the needle to always finish in the up or down position... great for pivoting on corners!
Lock stitch feature	✓	✓	Finish off all your ends, helps save time and gives an easy professional finish!
Start / stop button	✓	✓	Long seams just need guiding, great for anyone who doesn't want to use the foot control.
Adjustable foot pressure	✓	✓	Whatever fabric you are sewing you can adjust the foot pressure to suit. This is especially helpful when sewing with pile or delicate fabrics and turning corners with applique.
Twin needle capability with regulator	✓	✓	Twin needles are often used for decorative stitching and creating pin tucks. Also useful for topstitching and finishing hems on knit fabrics.
Knee lifter	–	✓	The knee lifter raises the presser foot. Perfect for quilting and turning corners hands free.
Quick snap on feet	✓	✓	It's easy to change feet at the touch of a button!
Number of lights	Dual LED	Dual LED	The wide angle white LED lighting gives greater illumination for all your sewing projects
Metal internal frame	✓	✓	Robust quality, as you would expect from the world's leading sewing machine brand.
Extension table	optional	optional	The extra flat surface helps smooth feeding of fabrics.
Cover	hard	hard	Helps give more protection to the machine when stored away and when travelling.
Optic magnifier	optional	optional	This attachment can be fitted to give magnification to the stitching area.

We reserve the right to change specifications without notice

An optional quilting kit is available for the DKS100 & DKS30 which includes a large extension table
