Brilliant & Intuitive!

The PFAFF® creative™
Color Touch Screen

Everything you do can be seen. The brilliant, high resolution screen shows stitches in actual size and embroidery designs in true colors.

Customize and combine designs directly on the screen and position them the way you like.

The user-friendly interface guides you confidently through the process with easily identified icons. A centrally located screen provides good visibility from different angles.

4 | IMPRESSIVE PERFECTION! Flawlessly embroidered and perfectly placed, thanks to Basic Precise Positioning. 5 | SPACIOUS! The well-designed shape offers exceptional space for large amounts of fabric. A sewing space of 250mm to the right of the needle is an unbelievable advantage when sewing and quilting. 6 | OPTIONAL! The extension table – slide it in place and double your sewing surface. 7 | BRIGHT! Optimized bright LED lights illuminate the entire work area with no shadows. 8 | SMART! A single touch of the PFAFF® Stylus makes everything happen.

PRECISION

that you will love!

AMAZING STITCH REPERTOIRE

A wide variety of beautiful stitches, including utility stitches, perfect buttonholes, the original PFAFF® high quality 9mm Stitches, cross stitches, hemstitches, quilt stitches and a lot more, all waiting for you.

Perfect fabric feed – more precise than ever before

The time-tested PFAFF® Original IDT™ System and a highly developed sensor technology guarantee the optimal feed you expect, on all kinds of fabrics.

Everything stays in place. Lightweight and silky fabrics don't pucker; stripes and plaids match perfectly; curved seams are easy, with very little pinning required.

The Original IDT™ System is exceptional for grasping and feeding small fabric pieces, for maximum precision and professional results. Your PFAFF® creative™ 3.0 sewing and embroidery machine moves from a single layer to multiple layers effortlessly and even sews over bulky seams with no hesitation.

- **4 Built-in Stitch Fonts** – Choose a font to personalize your project.
- **creative signature™ Sewing Programs:**
 - Tapering on all 9mm Decorative Stitches – Taper the beginning and/or end of any stitch, and choose from many different angles for unlimited opportunities.
 - Patchwork Program – Use Patchwork Program to remember the seam length to repeat over and over. This can be used with both utility and decorative stitches.
 - Single Stitch Program – Set exact number of stitches or sequence repeats you wish to sew.
 - Mirror Image of Stitches – Flip the stitch side to side and/or end to end for even more possibilities.
 - Stitch Positioning – Moves complete stitch right or left to easily align decorative stitches.
 - Stitch Density – Density can be increased or decreased without affecting stitch length by controlling the distance between the stitch points.
- **Automatic Presser Foot Lift** – Raises the presser foot instantly when the needle is set to stop down and/or at the end of a seam after a thread snip.
- **Free-motion Modes** – Three modes for free-motion quilting, thread painting or darning. Select the best mode for your specific technique.
- **Needle Up/Down** – Set needle to stop up or down in the fabric for pivoting, appliqué and more.
- **Sensomatic Buttonhole** – Buttonhole columns are sewn in the same direction for precise stitch quality.
- **Start/Stop** – Sew without the foot control – Makes sewing long seams, free-motion and buttonholes easy.
- **37 Needle Positions** – For exact placement of your straight stitch.
- **Stitch Width Safety** – Limits stitch width to center needle straight stitch while using straight stitch foot to prevent needle breakage.
- **Stitch Restart** – Return to the beginning of a stitch or sequence without having to reset any special adjustments you've made.
- **Immediate Tie-off** – When pressed the machine will tie-off and stop automatically for a quick and easy finish.
- **Accessory Feet included** – 8 different presser feet for all your basic needs.

EMBROIDERY FEATURES

- **On-screen Customizing of Embroidery Designs** – You can easily combine multiple designs directly on screen.
- **Built-In Designs and Embroidery Fonts + Memory to Save Combinations** – 157 fantastic embroidery designs and 2 embroidery fonts – each in three different sizes – are stored in the machine's memory. There's plenty of space to save your personal creations too for easy access.
- **Large Embroidery Area** – Embroider designs up to 260 x 200mm.
- **Basic Precise Positioning** – Easily match your design to a specific point on your fabric.
- **creative signature™ Embroidery Programs:**
 - Mirror – Flip the designs side to side and/or end to end for even more possibilities.
 - Rotate – Rotate by 1° increments for precise adjustments.
 - Embroidery Design Scale – Enlarge or reduce designs without changing the stitch count.
